Dear Sir/Madam,

We bid this project and are not the apparent low bidder although we would like to submit a correction to a typographical error in the subcontractor listing for following clerical errors.

1. For Subcontractor listing # 3 (for Highway Specialty Co), it got listed wrong DIR # , correct DIR # should read as 1000022123.

We are submitting these clerical error corrections within 24hr time frame of bid time for your consideration.

Thanks for consideration.

Sincerely,
